	<p>Purley War Memorial Hospital • The Sickle Cell and Thalassaemia Centre in Thornton Heath • A minor injuries unit in New Addington The Trust was formed on 1st August 2010 through the integration of Croydon Community Health Services and Croydon Healthcare NHS Trust. Around 4,500 staff provide services for a population of over 340,000 people with a high level of ethnic diversity. A recent public engagement programme called the Patient Revolution led to the development of a new vision and five promises to the people of Croydon. At Croydon Health Services we promise that we are always here for you. We promise everyone in Croydon, whether you are in hospital, in the community or at home, that we will do our best to ensure:</p> <ul style="list-style-type: none"> • You feel cared for by helpful and welcoming staff, who respect you as an individual • You feel in safe hands with highly professional staff who work well together in clean clinics and hospitals • You feel confident in your treatment from skilled teams of compassionate clinicians who listen to you and keep you informed • You feel we value your time with convenient appointments, minimal waiting and care closer to home. <p>You feel it's getting better all the time as we continue to improve our services These promises, developed with our patients, carers and staff help us deliver the pledges in the NHS Constitution and our own corporate objectives. "Here for You" The post holder is required to carry out his/her role in accordance with the organisation "here for you" promises, standards and behaviours, ensuring that colleagues and the people we serve feel cared for, feel in safe hands, feel confident in their treatment, feel we value their time, and feel that our service continues to improve all the time. Working in partnership As one of the few integrated health organisations delivering services in both the hospital and community, we want to remove administrative barriers which can get in the way of efficient and effective care and provide people with healthcare in the right local setting whether that is their home, a community clinic or hospital. We are committed to continually improving access to employment, facilities and buildings and that our patients, staff, visitors and carers can access clear information on the accessibility of our physical estate as well as clear and accessible information on the services themselves.</p>

Trust	Croydon Health Services NHS Trust
Site	Croydon University Hospital
Intrepid Post Code (and local post number if known)	LDN/RJ611/001/F1/003 LDN/RJ611/001/F1/008 LDN/RJ611/001/F1/012
Placement details (i.e. the specialty and sub-specialty)	General Internal Medicine
Department	General Internal Medicine
Type of work to expect and learning opportunities	Admitting patients on the General Medical take and providing ward cover for evenings and weekends. The majority of ward patients are General Medical patients with a handful of specialist Gastro patients. All patients are reviewed daily and the team divides the jobs up between them. The Consultants ward rounds are good for teaching. The ward job is very busy and demanding but there are often very sick patients – don't be afraid to get involved – just know when to ask for help. Learning is mostly from on calls
Where the placement is based	
Clinical supervisor(s) for the placement	Dr Philipose and Dr A Iyer.
Director of Medical Education	Dr K Channing
Foundation Programme Director	Mr F Kamel.
Guardian of Safe Working Director	Dr M McInerney
Main duties of the placement	The foundation doctor is expected to attend ward rounds, request appropriate tests and chase results, complete discharges for patients and arrange outpatient tests if required. They are expected to attend patients who are unwell and start appropriate treatment and liaise with senior team members.
Typical working pattern in this placement (e.g. ward rounds, clinics, theatre sessions)	AM: 0830 - Prep for ward round 0900 - 1200 Ward Round 1200 - Start jobs PM: 1300 - 1730 Ward jobs Teaching/lunch if we have time (most often we do) Tuesday 1-2pm F1 Teaching Wednesday 1-2pm Grand Round Basic hours only / on-call rota Including nightshifts.

<p>Local education provider (LEP) / employer information</p>	<p>Croydon Health Services - here for you Croydon Health Services provide hospital and community services from a number of community and specialist clinics throughout Croydon. These include: • Croydon University Hospital • Purley War Memorial Hospital • The Sickle Cell and Thalassaemia Centre in Thornton Heath • A minor injuries unit in New Addington The Trust was formed on 1st August 2010 through the integration of Croydon Community Health Services and Croydon Healthcare NHS Trust. Around 4,500 staff provide services for a population of over 340,000 people with a high level of ethnic diversity. A recent public engagement programme called the Patient Revolution led to the development of a new vision and five promises to the people of Croydon. At Croydon Health Services we promise that we are always here for you. We promise everyone in Croydon, whether you are in hospital, in the community or at home, that we will do our best to ensure: • You feel cared for by helpful and</p>
	<p>welcoming staff, who respect you as an individual • You feel in safe hands with highly professional staff who work well together in clean clinics and hospitals • You feel confident in your treatment from skilled teams of compassionate clinicians who listen to you and keep you informed • You feel we value your time with convenient appointments, minimal waiting and care closer to home. You feel it's getting better all the time as we continue to improve our services These promises, developed with our patients, carers and staff help us deliver the pledges in the NHS Constitution and our own corporate objectives. and
five promises to the people of Croydon. At Croydon
Health
Services we promise that we are always here for you.
We
promise everyone in Croydon, whether you are in
hospital, in
the community or at home, that we will do our best to
ensure:
You feel cared for by helpful and
welcoming staff, who respect you as an individual • You
feel
in safe hands with highly professional staff who work
well
together in clean clinics and hospitals • You feel
confident in
your treatment from skilled teams of compassionate
clinicians
who listen to you and keep you informed • You feel we
value
your time with convenient appointments, minimal waiting
and
care closer to home. • You feel it's getting better all the
time

as we continue to improve our services These promises,
developed with
our patients, carers and staff help us deliver the pledges in
the NHS Constitution and our own corporate objectives.
“Here for You” The post holder is required to carry out
his/her role in accordance with the organisation “here for
you” promises, standards and behaviours, ensuring that
colleagues and the people we serve feel cared for, feel in
safe hands, feel confident in their treatment, feel we
value their time, and feel that our service continues to
improve all the time. Working in partnership As one of the
few integrated health organisations delivering services in
both the hospital and community, we want to remove
administrative barriers which can get in the way of
efficient and effective care and provide people with
healthcare in the right local setting whether that is their
home, a community clinic or hospital. We are committed
to continually improving access to employment, facilities
and buildings and that our patients, staff, visitors and
carers can access clear information on the accessibility
of our physical estate as well as clear and accessible
information on the services themselves.

Typical working pattern in this placement (e.g. ward rounds, clinics, theatre sessions)	TBC No-On-Call commitment Wednesday 1-2pm – Grand Round Thursday 1-2pm – F2 Teaching
Local education provider (LEP) / employer information	Croydon Health Services - here for you Croydon Health Services provide hospital and community services from a number of community and specialist clinics throughout Croydon. These include: • Croydon University Hospital • Purley War Memorial Hospital • The Sickle Cell and Thalassaemia Centre in Thornton Heath • A minor injuries unit in New Addington The Trust was formed on 1st August 2010 through the integration of Croydon Community Health Services and Croydon Healthcare NHS Trust. Around 4,500 staff provide services for a population of over 340,000 people with a high level of ethnic diversity. A recent public engagement programme called the Patient Revolution led to the development of a new vision and five promises to the people of Croydon. At Croydon Health Services, we promise that we are always here for you. We promise everyone in Croydon, whether you are in hospital, in the community or at home, that we will do our best to ensure: • You feel cared for by helpful and welcoming staff, who respect you as an individual • You feel in safe hands with highly professional staff who work well together in clean clinics and hospitals • You feel confident in your treatment from skilled teams of compassionate clinicians who listen to you and keep you Appointments, minimal waiting and care closer to home. • You feel it's getting better all the time as we continue to improve our services These promises, developed with our patients, carers and staff help us deliver the pledges in the NHS Constitution and our own corporate objectives. "Here for You" The post holder is required to carry out his/her role in accordance with the organisation "here for you" promises, standards and behaviors, ensuring that colleagues and the

	people we serve feel cared for, feel in safe hands, feel confident in their treatment, feel we value their time, and feel that our service continues to improve all the time. Working in partnership As one of the few integrated health organisation delivering services in both the hospital and community, we want to remove administrative barriers, which can get in the way of efficient and effective care and provide people with healthcare in the right local setting whether that is their home, a community clinic or hospital. We are committed to continually improving access to employment, facilities and buildings and that our patients, staff, visitors and carers can access clear information on the accessibility of our physical estate as well as clear and accessible information on the services themselves informed • You feel we value your time with convenient.
