8.	<b>Contact details for Educational Supervisor</b>	<a href="mailto:rfitzgerald1@nhs.net">rfitzgerald1@nhs.net</a> 01737 231650	
9.	<b>Description of training post</b>	<ul style="list-style-type: none"> <li>• This sought-after DCT post supplies consultant-supported training in a wealth of disciplines: Oral Surgery, Orthodontics, Paediatric Dentistry, and Special Care Dentistry. The DCT will be involved in delivering treatments including surgical extractions, paediatric endodontic, and orthodontic treatments; under local anaesthetic, inhalation and intravenous sedation, and general anaesthetic (paediatric and oral surgery). Sedation accreditation is offered and we are an accredited sedation training department. With the support of a small but enthusiastic dental team (consultants, staff grade and community dentists, dental nurses, and admin teams), previous DCTs in this post have not only gained clinical experience in multiple disciplines, but also presented at international conferences, published in peer-reviewed journals, and went on to be successful at applying for speciality training or GDP/CDS posts.</li> </ul>

3.	<b>Training unit/locations</b>	Queen Victoria Hospital, East Grinstead
4.	<b>Rotational Post information and Duration</b>	Work will include supporting and working with Minor Oral Surgery, undertaking Clinics in Orthognathic, Oral Medicine and Head and Neck surgery. You will gain theatre experience across the breadth of elective OMFS as well as experience with on-call and trauma.
5.	<b>Full address of unit/s where training is based</b>	QVH, Holtye Road, East Grinstead, West Sussex. RH19 3DZ.
6.	<b>Travel Commitment</b>	Travel may be required between East Grinstead, Darrent Valley Hospital DarXord, Medway Maritime Hospital and Eastbourne District General Hospital.
7.	<b>Name of Educational Supervisor, if known</b>	
8.	<b>Contact details</b>	Helen Moore <a href="mailto:helen.moore6@nhs.net">helen.moore6@nhs.net</a>
9.	<b>Description of training post</b>	<ul style="list-style-type: none"> <li>• There are learning opportunities in inpatient &amp; day case theatres, ITU &amp; high dependency unit, wards, outpatients department, minor injuries unit, and specialist clinics, as appropriate. These include Orthognathic and Head &amp; Neck Cancer MDTs as well as acute involvement with Trauma patients. You will have the opportunity to develop your surgical skills in IA and some GA procedures. You will also have the chance to develop a more holistic approach to patient care on the wards &amp; in theatres. Some of your teaching/training will come from appropriately trained Associate Specialists &amp; Staff Grades as well as Consultants and their StR trainees</li> <li>• In addition to the formal opportunities identified through the curriculum, opportunities may also arise in the post to gain experience teaching and supervising, and to participate in audits, research and quality improvement work.</li> <li>• This post will provide exposure within the generality of the specialty of Oral &amp; Maxillofacial Surgery, with particular</li> </ul>

**DENTAL CORE TRAINING 2024/25**  
**NHS ENGLAND WT & E – Kent Surrey Sussex**  
**East Kent Hospitals University NHS Trust**  
**Kent, Surrey and Sussex - DCT1 - Sep - 11**

9.	<b>Description of training post</b>	<p>The Oral &amp; Maxillofacial Surgery department at East Kent Hospitals NHS Trust is situated in a purpose-built unit with its own x-ray and CBCT facilities at William Harvey Hospital, Ashford. It is combined with Orthodontics and Restorative Dentistry. The Oral &amp; Maxillofacial surgical team comprises of 8 consultants OMFS surgeons, 2 registrars and 5 staff grade surgeons.</p> <p>There are monthly joint orthognathic clinics and joint orthodontic and restorative dental clinics and opportunities to shadow are possible. The unit is situated next door to the Head &amp; Neck ward (Rotary Ward). DCTs attend out-patient clinics, out-patient operating sessions, day surgery and in-patient main theatres.</p> <p>The post-holder will gain extensive operative oral surgery experience under local &amp; general anaesthetic including biopsies, dentoalveolar surgery including management dental trauma, surgical dental extractions, Adult &amp; paediatric soft &amp; hard tissue trauma as well as assisting with facial osteotomy. The post holders are encouraged to participate in the monthly departmental Audit meetings, Clinical governance and teaching with a view to enhancing their CV in the direction of long-term career. The interested DCT may also gain additional exposure to Oral &amp; Maxillofacial Surgery.</p> <ul style="list-style-type: none"> <li>• Weekly Supervised Minor Oral Surgery Clinic</li> <li>• Weekly supervised Oral surgery/ Oral medicine/ Maxillofacial out patient clinics with specific allocation of patients to the DCT so that DCT gains the understanding of presenting complaint to the treatment plan.</li> <li>• Weekly supervised Day case general anaesthetic Dento-alveolar list</li> <li>• Participation on the daily inpatient ward round with an opportunity to grow the extended Oral surgery skills with Maxillofacial patient management.</li> </ul>

**DENTAL CORE TRAINING 2024/25**  
**NHS ENGLAND WT & E – Kent Surrey Sussex**  
**East Kent Hospitals University NHS Trust**  
**Kent, Surrey and Sussex - DCT1 - Sep - 11**

		<ul style="list-style-type: none"> <li>• Opportunity to participate in the Joint orthodontic / Restorative/ Surgical clinics to understand the interdisciplinary management of complex dental cases.</li> <li>• Excellent opportunities to participate in the Clinical Audit, Governance and Teaching. The post holder will be allocated study leave with budget allocated as per deanery guidelines.</li> <li>• The enthusiastic Trainee can maximise the learning by managing the acute dental/ Oral/Maxillofacial emergencies under supervision by the staff grade surgeons/Registrars/ Consultants in Oral &amp;Maxillofacial Surgery in A&amp;E and the operating theatres. There is scope to get involved with Osteotomies, Salivary gland surgery and head and neck cancer surgery for the appropriate Trainee.</li> </ul>
10.	<b>Suitable for Temporary Registrant?</b>	YES
11.	<b>Primary Care element Performer Number required?</b>	NO
12.	<b>Pattern of working including any on-call commitment</b>  <i>The indicative rota for all the DCTs is given below however duties can change on a weekly basis dependent on the needs of the service.</i>	<ul style="list-style-type: none"> <li>• The on call is a 1:8 shift system 8am-8pm and 8pm-8am at WHH. <i>Overnight oncall may be subject to change (proposed no overnight oncall).</i></li> <li>• 1 in 4 weekends</li> <li>• The DCT post holder is not expected to stay longer than 5 pm except when they are covering the OMFS oncall which is as per the shift pattern. The usual timings are 8am- 5pm.</li> </ul>
