<b>Geographical spread (towns usually included) Please note -</b>	<p><b>A range of sites from across London and KSS.</b> Practices are not allocated on the basis of geography in this scheme. Sites vary every year depending on training practice availability and will be across a wide geography.</p> <p>Please note foundation dentists will spend one day a week in a hospital setting in London.</p>			

<p><b>training practices for 2022 have not yet been appointed.</b></p>	<p>The full details of the sites including the hospital sites will be available after 15 June 2022.</p> <p>This is the third year that this pilot scheme has run. Note duration of training is for 12 months and please note that this scheme does not provide equivalence to DCT1.</p>
<p><b>Local Allocation</b></p>	<p>You will preference the training practices and will be allocated to practices based on your national ranking.</p> <p>All successful trainees will be sent a link, after recruitment has been completed, which will contain a practice profile of the approved training practices in the trainees' allocated area. This will take place in early July. The trainee will then rank all of the practices in their allocated scheme and will be advised of their allocated training practice in the week commencing 11 July.</p>
<p><b>Overview</b></p>	<p>All foundation trainees will have access to state-of-the-art simulation facilities across London &amp; Kent, Surrey and Sussex including phantom head skills labs and simulation suite for training in medical emergency &amp; crisis resource management. HEE London &amp; KSS runs a comprehensive induction for all FDs which includes the opportunity to refresh hands on skills in the simulation facilities, before starting clinical work at the start of the training year. Most study days will be practical based.</p> <p>All FDs will be involved in a range of community-based preventive projects as well as evidence-based projects.</p> <p>Those trainees allocated to this scheme will have the opportunity to undertake observations and treatment in a secondary care setting one day per week. The remainder of the week will be spent in a primary care practice.</p> <p>Note: HEE London &amp; KSS operate a stringent policy on annual leave. Annual leave is not permitted during term times and attendance on all study days is compulsory. All foundation dentists must also attend the full study programme and work full time in practice including working on non-study days at the practice.</p> <p><i>Please do not apply to this region if you are unable to commit in full to our policies.</i></p>

Foundation dentists are paid according to the nationally agreed salary in each of the three UK countries involved in this nationally coordinated recruitment process:

- For England and Wales the exact figure appears in the Statements of Financial Entitlement published periodically by the Departments of Health for England and Wales. For Northern Ireland this is published in the Statement of Dental Remuneration (SDR).
- Please note that the figure published and applicable at the date of application may not be the same as that in force at the time of starting in post.
