Overview	<p>The Dorset and Wiltshire scheme contains many experienced practices and Educational Supervisors. Our two excellent locations in Salisbury and Dorchester host some fantastic lecturers and hands-on sessions.</p> <p>In the first term we have two restorative hands on sessions session and day of hands-on endodontics. We also cover full and partial dentures, photography and communication skills. In the second term we have a day at a laboratory, a hands-on occlusion day, orthodontics and a composite masterclass.</p> <p>The scheme has always been very sociable and we have a (mildly) competitive baking rota!</p>

Foundation dentists are paid according to the nationally agreed salary in each of the three UK countries involved in this nationally coordinated recruitment process:

- For England and Wales the exact figure appears in the Statements of Financial Entitlement published periodically by the Departments of Health for England and Wales. For Northern Ireland this is published in the Statement of Dental Remuneration (SDR).
- Please note that the figure published and applicable at the date of application may not be the same as that in force at the time of starting in post.
