<p>Local Allocation Process followed in 2020 (This may be subject to alteration for 2022).</p>	<p>Graduates rank training locations which are made available via practice descriptors. Graduates are allocated according to their National Recruitment ranking.</p>
<p>Overview</p>	<p>Majority are urban training locations, many in areas of high dental needs. FD's rotate between training locations on either a split week or weekly basis.</p>

Foundation dentists are paid according to the nationally agreed salary in each of the three UK countries involved in this nationally coordinated recruitment process:

- For England and Wales the exact figure appears in the Statements of Financial Entitlement published periodically by the Departments of Health for England and Wales. For Northern Ireland this is published in the Statement of Dental Remuneration (SDR).
- Please note that the figure published and applicable at the date of application may not be the same as that in force at the time of starting in post.
