

3-Day Course in Transfer Medicine for Stage 1 Trainees

Calling all London CT3/CT4 Anaesthetic trainees

We would like to invite expressions of interest to the **3-Day Course in Transfer Medicine!**

Q. “What will I get out of it?”

- Perform and lead transfers of critical care patients across a broad spectrum of clinical acuity
- Learn to use specialist transfer equipment
- Complete e-Learning and take part in daily scenario-based teaching
- Certificate of Completion
- Evidence for ‘Resuscitation and Transfer’ competencies in Stage 1 curriculum

Please fill out the form using the QR code below

<https://form.jotform.com/250581370816356>

Once your form is received, we will reply with further instructions, including the HR process to make sure you can be a contributing member of the clinical team

We look forward to welcoming you on-board and working with you soon!
