Are you about to return to GP training or practice from a leave of absence? This half day simulation workshop will provide refresher training in:

- Remote working principles and use of digital tools
- GP consultation skills with role play actors
- Assessing and managing risk
- Understanding the Covid context
- Looking after our own wellbeing

The workshops will be interactive and use a range of blended learning techniques to enable you to engage. The schedule also includes breaks and break out sessions

Each workshop has 12 available places. Click here to register:
