REFERENCES FOR TRAINEES/ TRAINERS

Dates 2022:

- Friday 3rd June portfolio lockdown (cut-off date)
- Friday 17th June ARCP in absentia
 (Ensure your ARCP period does not run beyond this date, as otherwise the panel will not be able to complete the form electronically, so you will not know your result on the day)
- Monday 4th July remote ARCP one to one discussion for all trainees not receiving outcome 1 or 10.1

Outcomes

| | |
|-----------|---|
| Outcome 1 | <p>Progress to next stage training if full time (n.b. if derogation applies for 2022 can still be awarded outcome 1 without certain competencies). If less than full time may not be able to progress to next stage despite satisfactory if not completed time for training. In these cases, CCT calculator important e.g. can get outcome 1 when completed 36 months as 0.6 LTFT i.e. 21.6 month full time equivalent but near end of ST2 and only progresses to ST3 when completed 24 months full time equivalent</p> |
| Outcome 2 | <p>Development specific competencies NO additional training time (Includes lack of engagement e.g. those on OOP not entering paperwork, incomplete CS forms, WBAs)</p> |
| Outcome 3 | Inadequate training progress– ADDitional training time |
| Outcome 4 | Released from training |
| Outcome 5 | For 2 weeks – only for form R/exam results |
| Outcome 6 | Awarded CCT |
| Outcome N | Not assessed e.g. statutory leave |
| Outcome 8 | On OOP |

Covid outcomes These will only be awarded if evidence shows the trainee was progressing appropriately and there was a lack of opportunity to complete the competencies due to Covid e.g. redeployment affecting ability to complete exam, unable to complete procedures due to surgery being suspended.

| | |
|--------------|--|
| Outcome 10.1 | <p>Was progressing appropriately, opportunities to complete competencies was affected due to COVID NO additional training time PDP to included competencies deferred until next ARCP</p> |
| Outcome 10.2 | <p>Was progressing appropriately, critical progression not achieved. ADDitional training time</p> |
