

Trust Plans for Prescribing Assessment 2019

Ashford & St Peter's Hospitals NHS Foundation Trust

Prescribing system: Paper chart

Practical Prescribing Assessment: Thursday 1st August 2019, in the Post Graduate Medical Education Centre.

Training provided: Trainees are expected to familiarise themselves with the 'pharmacy information pack' provided during pre-screening checks / sent electronically. It is highly recommended that you have thoroughly read the pharmacy pack before attempting the prescribing assessment. There will be a teaching session held prior to the assessment.

Feedback: All foundation doctors will receive generalised feedback on Friday 2nd August 2019. Anyone with any serious errors will be signposted to the relevant SCRIPT modules that they will need to complete before they are allowed to prescribe. 1:1 feedback will be given to those with 3 or more serious errors by the lead education and training pharmacist and head of medical education on Monday 5th August 2019.

Contact for queries: syeda.akhtar2@nhs.net OR sharmeen.ajaz@asph.nhs.uk Education and Training Pharmacists.
