

Surgical SuppoRTT Training day 25th March 2022

Introduction

This day will be held over Zoom and will include a number of vibrant and up-to-date speakers who will refresh your core knowledge and inform you about key changes in clinical practice and curriculum changes over the last 2-3 years. There will be a chance to network with other returning trainees, discuss other resources available and return to work confident and happy!

Objectives

Provide key updates in core subjects to increase your confidence for returning to work and on calls, allowing you to: -

- Provide updates on management of common surgical emergencies
- Review conditions such as covid/ sepsis management
- Discuss returning LTFT/ suppoRTT programme
- Updates on recent curriculum changes

Speakers:

Miss Clare Rees	Consultant Paediatric Surgeon, Imperial College Healthcare NHS Trust
